**Praise for**

**Improving Healthcare Through Advocacy  
A Guide for the Health and Helping Professions**

"Bruce Jansson's thoughtful and innovative book will appeal to students in social work, nursing, and public health as well as those working in the health field of practice. The case examples are extraordinary, and Jansson provides the ideas, context, and theoretical base for readers to acquire the skills of advocacy in healthcare. This is by far the best advocacy book I have seen."

—**Gary Rosenberg,**

**An important resource for all who strive for the best in healthcare treatment for their patients, themselves, and the nation**

Bestselling author and award-winning researcher Bruce S. Jansson uses an intervention framework to illustrate how everyone in the healthcare system can advocate effectively, not just for better healthcare delivery to individual clients but for the necessary policy change that will deliver long-term solutions to our nation's healthcare crisis as well.

*Improving Healthcare Through Advocacy* provides professionals with:

- Tools to move from traditional services to case advocacy and policy advocacy tasks
- Over 100 case studies from the perspective of patients, healthcare providers, and others who relate the experiences they have encountered in the healthcare system and share the wisdom they have learned
- Practical tips on how to provide effective advocacy and bring about positive and long-term change in this complex environment
