SaveOne is for girls and women seeking deliverance from the pain and guilt of an abortion. This is a guide as well as a workbook, researched and written by a woman who had an abortion when she was a teenager. For seven years, Sheila Harper carried with her the shame and humiliation of her abortion, only to find deliverance through God's abundant grace. This book is a revealing look at post-abortion pain and guilt, emotions that have been left unchecked, out of control, for months, perhaps years. Let SaveOne help you pinpoint those debilitating emotions and guide you toward God's grace and His renewal of your mind. Step by step, this guide shows you how to rely on your Creator for the courage to deal with the past, while answering questions such as: Is there life after abortion? Why am I an emotional wreck? Can I really overcome guilt and be set free? Does God really care about me?
