**The Transformation (Metamorphosis) and Other Stories: Works Published During Kafka's Lifetime (Classic, 20th-Century, Penguin)** Franz Kafka

**A companion volume to *The Great Wall of China and Other Short Works*, these new translations bring together the small proportion of Kafka's works that he thought worthy of publication.** This volume contains his most famous story, *The Transformation*, more popularly known as *Metamorphosis*. Other works include *Meditation*, a collection of his earlier studies; *The Judgement*, written in a single night of frenzied creativity; *The Stoker*, the first chapter of a novel set in America; and *A Fasting Artist*, a collection of stories written towards the end of Kafka's life. There is also a fascinating occasional piece, *The Aeroplanes at Brescia*, Kafka's eye-witness account of an air display in 1909. Taken together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.
