When Heaven Touches Earth Glenda Green

In many ways this book is a companion to "Love Without End, Jesus Speaks". It stands as a testimony of our human spiritual nature in the midst of a technology driven modern world, which is often skeptical of anything it cannot weigh, measure, and sell. Human beings, throughout the ages, and in all cultures, have demonstrated an expanse and richness of consciousness that exceeds all other forms of life on earth. Through our higher nature we have an opportunity to connect all dimensions of life as we know them. or discover them to be. Many of those dimensions are best explored scientifically, while others can ONLY be reached through our spirit. It is not necessary that you have read "Love Without End". But, if you have, and wondered if there was more to the story, this book will provide many answers. If you have had a mystical revelation, whether an epiphany or a near-death experience, you may find inspiration for how to relate those special events to others. Most of all, this book provides a unique model for reaching the full expanse of your dreams while still living a lucid and socially relevant life. It will help you discover all that you are, and your place in the link between Heaven and Earth.
