Children get a great start in writing and counting with this fun book and writing series specifically designed for preschoolers. Packed with activities to reinforce early learning, these 26-page books encourage reading, writing, and counting. Handy arrows guide children in forming letters and numbers. The stencils, flashcards, coloring activities, dot-to-dots, and games guarantee that children will have fun and stay engaged. Young children will love to write with the chunky washable markers, and parents will appreciate the notes on how to use the book to encourage the child's development. Once finished, wipe the pages clean and start all over again for hours of mess-free fun and learning!
