How to Succeed in the Christian Life R. A. Torrey, CrossReach Publications

I HAVE for years felt the need of a book to put in the hands of those beginning the Christian life that would tell them just how to make a complete success of this new life upon which they were entering. I could find no such book, so I have been driven to write one. This book aims to tell the young convert just what he most needs to know. I hope that pastors and evangelists and other Christian workers may find it a good book to put in the hands of young converts. I hope that it may also prove a helpful book to many who have long been Christians but have not made that headway in the Christian life that they long for.
