Somewhere neither of them had been before ... a first time for both

...

With the **house to themselves** for the weekend, Holly insists that Darryl hang out with her, even though he's got an exam the next day. But what **starts out as an innocent time** together turns into something more ... something **taboo**. And when they **do it again the next morning, hard and without protection**, it goes to **places neither of them was expecting!**

The sample I have is too explicit to put here, but you can read it if you **click on the book to look inside!**
