THE KNOT ARTIST is a startling, erotic political thriller whose unique heroine is Dominique - the most costly dominatrix on the East Coast -- a character who will mesmerize you. Dominique s view of men, women and society is dark, original and hilarious. When something goes terribly wrong in her Bridgehampton dungeon with a U.S. Senator involved in Cuban-American relations, Dominique finds herself attracted to the mysterious international security expert who appears to handle the problem and whose life is even more about control than her own. Did you love Lizbeth Salander in The Girl with the Dragon Tattoo? Did you tear through the entire Stieg Larssen Millennium trilogy and don't know what to read next??
