We have all heard that the truth shall make us free. We have all longed for that freedom from suffering and tragedy. Many have actively pursued what the truth actually is and many have found the answers they sought. Yet, we often find ourselves confused as to how to apply the understandings we have achieved. "Now that I know, how do I use that knowledge to find lasting freedom? What are my responsibilities? Are they difficult? Can I hope to reach the goal of health, harmony and happiness?" I have found those answers to be as near as the heart that beats within us. And equally as simple to understand. This, then, is a path of healing. Whether it is yourself you seek to heal, or another for whom you pray. It is a path so simple we have missed it as we sought through the maze of religious traditions and man-made doctrines. Let the Spirit and Love of God take you by the hand as you read through these pages, and let Him lead you to freedom and safety.
