BOOK #1: Body Language 101: Body Language NOW. The Ultimate Guide to Understand the Hidden Power of Non-Verbal Communication

Some words remain unsaid if you don't take the help of immersive too of body language. Many times you miss the golden opportunity because of your lacking of ability to show your inner powers with the help of your body language.

This valid book is emphasizing on the idea of how to use body language. This immersive book is core in its notion that body language and non-verbal communication matters much in many of the social and standardized situations. One can reveal his/her hidden powers with the help of his/her body language.

The basic ideas given in this book embrace:

- Body language – An understanding of one's hidden powers
- Types of non-verbal communication – A majestic way of finding one's hidden powers
- Some exciting truths about body language
- Recognize the hidden powers of your hand shake
- How you can confirm your job interview in to a job by use of body language as a way of revealing your hidden powers?

BOOK #2: Body Language: Amazing Body Language Guide to Help You Recognize Whether People's Feelings are True or Fake

Do you sometimes get the sense that a situation with other people is not quite as it seems? Do you often struggle to understand what others expect of you? Is nervousness preventing you from taking risks that could slingshot you on the path to success in your personal and professional life? Interacting with other people can

be a challenging and exhausting aspect of daily life, and a potent source of stress for many. A little study and practice in reconnecting with the instinctive intuitions of the human animal can enable you to harness the hidden power of body language as a tool to establish your place among your peers.

In this book, we examine some of the fundamental concepts associated with non-verbal communication. You can learn how to:

- Implement appropriate, positive body language to create the right first impression.
- Identify positive and negative gestures that give away how others are feeling.
- Equip yourself with the mentality and awareness to recognize the non-verbal cues that surround us.
- Recognize the common indicators of deception and act to protect yourself and others from it.

BOOK #3: Body Language: Learn What the Person You Talk to Thinks About You Following His Non Verbal Body Language Signs

Everyone wants to know what others think of them. The problem is that many people don't honestly tell people their true feelings, but you don't have to worry about that any longer.

In this book you are going to learn how to:

- Read body language to understand what people really think of you
- Use body language to tell if someone is lying
- Tell just by looking at someone's smile if they are being genuine
- Read someone's eyes to know how they truly feel about you and others around them
