As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't

see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want.
