## **The Watchman: A Joe Pike Novel** Robert Crais

After his acclaimed stand-alone best seller *The Two Minute Rule*, Robert Crais returns with the eagerly awaited new Elvis Cole and Joe Pike novel.

For Elvis and Joe, two of the most beloved characters in crime fiction, the action is getting a little close to home. The dangerous and enigmatic Joe Pike has always defied close examination, but in this breathtaking new thriller, that's all about to change.

Joe Pike owes a bad man a big favour. And the favor is to protect the life of Larkin Conner Barkley, a spoiled rich girl who happens to be a federal witness in a case against the mob. When Pike and the girl come under intense fire, he hatches a plan: disappear into the anonymous underbelly of Los Angeles, turn the table, and hunt down the hunters.

Enlisting the help of Elvis Cole, Pike uncovers a web of lies and betrayals; even the cops aren't who they seem. But as the body count rises, it becomes clear that Pike's biggest threat may be the girl herself - a vapid soul determined to destroy herself, unless Joe can fill the void in her bruised heart.
