"One of the most challenging parts of following Jesus is being able to explain the what's and why's of your faith. Whether a friend's questions stump you or you're having doubts of your own, it helps to know what you believe and why.

There's no need to be afraid to ask the tough questions. When it comes to your faith, there's no such thing as a dumb question and no topic should be off-limits. God wants you to understand your faith so you can help others understand it, too.

In Think, you'll find 20 straightforward studies that explore what the Bible says about controversial and difficult topics. You'll discover why the Bible is worth believing, you'll find out how you can be sure Jesus was more than a nice guy and good teacher, and you'll see that the Bible really does have relevant things to say about life today. God wants to give you solid reasons to believe, along with the know-how to explain your faith without sounding intolerant or arrogant. So dig in and be sure about what you believe."
