After Dark Beverly Barton

When A Shocking Scandal Exposes Southern Secrets. . .

As the blazing heat of summer gives way to sultry September, a shroud of suspicion settles over Noble's Crossing, a sleepy Alabama town. Nothing is as it seems--and never will be again. Lane Noble Graham stands accused of murdering her ex-husband. And the one man who can help, Johnny Mack Cahill, vowed never to return to the town that scorned him--or the woman whose love he knew he didn't deserve.

. . .No One Is Safe From Cold-Blooded Murder

From the rusted-out trailers on the wrong side of the river to the stately pillared mansions along Magnolia Avenue, everybody has something to hide--but one secret could make Lane and Johnny Mack the next targets of a twisted killer, who's struck once and is bent on striking again. . .

"A sizzling, sexy tale that grabs the reader by the throat and doesn't let go." --Lisa Jackson, *New York Times* bestselling author

From reader reviews:

Gerald Hackler:

As people who live in often the modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era and that is always change and move ahead. Some of you maybe will probably update themselves by looking at books. It is a good choice for you personally but the problems coming to an individual is you don't know what type you should start with. This After Dark is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Shelia Lopez:

A lot of people always spent their very own free time to vacation as well as go to the outside with them family or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or maybe playing video games all day long. If you wish to try to find a new activity that's look different you can read a book. It is really fun for yourself. If you enjoy the book you read you can spent the entire day to reading a book. The book After Dark it doesn't matter what good to read. There are a lot of individuals who recommended this book. These people were enjoying reading this book. If you did not have enough space to develop this book you can buy typically the e-book. You can m0ore quickly to read this book from a smart phone. The price is not to fund but this book offers high quality.

Julio Rico:

What is your hobby? Have you heard that question when you got students? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. And also you know that little person similar to reading or as studying become their hobby. You need to understand that reading is very important in addition to book as to be the point. Book is important thing to include you knowledge, except your own teacher or lecturer. You discover good news or update regarding something by book. Numerous books that can you decide to try be your object. One of them is this After Dark.

Ina French:

Some people said that they feel uninterested when they reading a e-book. They are directly felt the item when they get a half areas of the book. You can choose typically the book After Dark to make your own reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose basic book to make you enjoy to read it and mingle the feeling about book and studying especially. It is to be first opinion for you to like to open up a book and learn it. Beside that the book After Dark can to be your friend when you're sense alone and confuse in what must you're doing of these time.
