Atticus And The Orb Of Time:

What if everything you were told were true. What if everything was born from something. What if we lived in a world where all the stories, all of the religions, it was all true. Dragons, demons, vampires? A continuity of singularity. And what if something wanted to destroy it all?

The demon king, Razakel, wants nothing but to rule the realms. His own domain is not enough. He has his evil eyes set on the realm of Earth. Only the Majjai are in his way. Join Atticus and his fellow warriors as they journey through time and space to protect Earth from the demon hordes and from the demon king himself. The journey begins.

The Orb Of Time: Book 1, Trilogy 1.
