TOO CLOSE FOR COMFORT! Homicide detectives know all too well the chilling reality of murder. Most murder victims are killed, not by a stranger, but by someone close to them. This riveting story is the true account of a murder mystery seemingly connected to a string of famous hotel heists. Detectives Mansley and Childress are called to a grizzly murder scene in Central Park. While at the horrific scene, they discover that across the street, the luxurious landmark hotel has been robbed. With no leads or evidence in either case, the trail goes cold. Suddenly Detective Mansley receives an anonymous email leading him to the infamous drug lord Antonio "Guerrero" Garcia. Are the cases connected? Will they catch the killer before he violently strikes again? It's a race against time, to find the answers.
