Four stories, four explorations into the depths of human depravity and desire.

FOUR GRAPHIC TAILS FOR THE PRICE OF ONE.

In **HOSTEL TAKEOVER** a young backpacker visiting South Korea spies a target for his desires, and their bodies meet in the showers. Neither will be the same, for they will leave changed forever.

In **THUG'S TOUCH** a pair of sheltered, bored **nurses** decide to hit up a hip hop club, and they take something **hardcore** home with them.

In **POLE NURSE** a patient arrives to intensive care. He can't speak, but he can still get *blood flowing to other parts of his body*. Even the one that counts. Jackie decides to explore him, and he makes it known that despite the bandages, he is very much on board with that idea.

BONUS! Also included is the short story **SPREAD VICE**, which takes place in the near future. It includes **future sex**, in which a detective for the NYPD goes undercover as a prostitute and must hack a system *using every part of her body*.
