**Social Work Research and Evaluation: Foundations of Evidence-Based Practice** Richard M. Grinnell Jr., Yvonne A. Unrau

This book is the longest-standing text in the field of social work research and evaluation. Since the first edition in 1981, it has been designed to provide beginning graduate social work students the basic methodological foundation they need in order to successfully complete more advanced research courses that focus on single-system designs or program evaluations. Its content is explained in extraordinarily clear, everyday language.
