The Logic of Intuitive Decision Making: A Research-Based Approach for Top Management Weston H. Agor

Weston Agor has with scholarly thoroughness taken intuition out of the classroom and out of the business closet. He shows how it can be used as a powerful business tool. *Roy Rowan, Author of The Intuitive Manager*

The Message of *The Logic of Intuitive Decision Making* is: 'Actively seek input and advice from all sources you possibly can before making a key decision,' according to the author. What follows is an outline of how to use intuition--an often-overlooked source--to make key management and personal decisions, a discussion of how to develop your intuition, and case studies of intuitive decision-making. *Association Management*
