The Popular Handbook on the Rapture: Experts Speak Out on End-Times Prophecy (Take Me Through the Bible)

- Why is there so much confusion about how and when the rapture will take place?
- What does the Bible say for certain about this event?
- When will the Tribulation occur, and who will face it?

There is a lot of discussion among Christians about the rapture and the last days. Why all the different views? And how do those perspectives line up with Scripture?

Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God's Word for the answers. In this book, readers will discover what they can know for certain. And as they consider the things that still remain uncertain, they will gain a renewed trust that God knows what He is doing. His plan is perfect, and it will unfold in His timing.

An easy-to-understand resource that provides much-needed clarification about the end times.
