The Spanish Republic at War 1936-1939 Helen Graham

This new analysis of the forces of the Spanish Leftist movement during the Civil War of 1936-9 makes two crucial propositions. It claims that the wartime responses and limitations of the movement can be understood only in relationship to its pre-war experiences, world views, organizational structures and the wider cultural context. It also asserts that the most significant influence on the evolution of the Republic between 1936 and 1939 was the war itself.
