It is hopeful that this present work should be a blessing to those who read it. When the writer of this book began taking notes and studying the various numbers in scripture, it was his initial desire to know and to understand the God of the Bible in a deeper way.

This work has been in the making for twenty plus years. Yet, there still remains an insurmountable amount of evidence which suggests that God's ways are past finding out by the human mind and intellect. God is Spirit, and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty.

The subject of numbers in scripture has proven to be a fascinating endeavor, but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit. Illustrations are continually being discovered. It would be irreverent to suppose that this work could be complete; for it would assume that the wonders of the Creator, as manifested through numbers in scripture, could be all discovered!

May this modest work be to the praise and glory of the One and Only True God.
