AIDS treatments continues to evolve. Now, so does the definitive reference on this complex and challenging subject! "AIDS Therapy, 3rd Edition" not only brings you comprehensive guidance on the latest treatments for HIV/AIDS and the full range of related disorders and syndromes, but also comes with access to updates online-so you can always tap into the most current therapy guidelines. Written by a "who's who" of leading global experts, the new edition of this classic reference is a must for any clinician who manages patients with HIV/AIDS.

- The most comprehensive coverage available on AIDS treatment equips you to meet any clinical challenge.
- Contributions from a large cast of noted international authorities put global "best practices" at your fingertips.
- Advice from some of the most respected experts in the field helps you manage your patients confidently.
- Available with a companion website allowing you to access the latest treatment guidelines year after year.

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.
