The plan was there was no plan-visit all seven continents, see what happens. Erin Michelson is a high adventuress, who lives life on the edge. Giving up a successful business, her stake to a house, and all of her possessions, she decides to just take the money and run. Surviving swindlers and saints, she struggles to keep her eyes and heart open. Her escapades not only show us how best to tackle a minefield, how to bathe an elephant, and where to find a string of pearls, but also how to make a world of difference in the lives of those who are most vulnerable. For two years, she volunteers across the globe, searching for an authentic experience and the chance to reach out and leave the world, even just a small part of it, a better place. This is the life of an Adventure Philanthropist!
