Lucy Montgomery has never met a line she wouldn't cross.

Raised by activist parents, Lucy grew up challenging authority. Now 22, her wild behavior has nearly gotten her kicked out of college more than once. But she's determined to earn her Master's degree in Business and prove she can be practical, no matter how little it interests her.

She's never known a man like him.

But Lucy has a passion for books and can't resist the chance to audit sexy, single Professor Ryan Sherwood's popular literature course. And when the Professor reprimands her on the first day of class, she discovers she can't resist his authoritarian allure either.

Aroused by the hint of steel in Professor Sherwood's eyes, the subtle command in his voice, and the fetish magazines hidden in his desk, Lucy embarks on an exercise in her deepest, darkest desires with the masterful Professor as her willing teacher.

Teach Me Something New contains elements of BDSM including spanking.
