The Lark Trilogy: Travels in Southern New Zealand Neville Peat

Three terrific books in one from one of New Zealand's leading natural-history and adventure writers.

A quirky character called The Lark is threaded through three of Neville Peat's most highly acclaimed books: *The Falcon and the Lark*; *Coasting: The Sea- Lion and the Lark*, and *High Country Lark*. Whether they are set in Strath Taieri in Otago, along the Otago coastline or in the high country around the head of Lake Wakatipu, these three books demonstrate Peat's wry humour, keen observational skills, and knowledge of and love for our wilder places and the creatures and people who inhabit them. They are at once affecting ruminations and deft natural-history writing. With Peat, the reader is in masterful hands.
