Fatal Legacy (Otter Creek) (Volume 4) Rebecca Deel

Three deaths in two weeks and she could be the next victim. The biggest dangers bookstore owner Del Peterson faces are paper cuts and aching feet until a gift draws her into the center of a federal investigation and she's taken into custody as a material witness. When Del's safe house is breached and a marshal dies protecting her, she turns to the man she knows has the skills to help. Two years ago, Josh Cahill transitioned from elite Delta warrior to small-town cop. When a federal judge is murdered, nothing will stop him from protecting the woman he loves. With help from his Delta unit and friends at Fortress Security, Josh sets a trap to capture the shooter. Though he vowed to protect her, bringing down the man behind the shooter might require Josh to take Del into the heart of danger.
