Escrever sobre a doutrina das últimas coisas não é uma tarefa fácil, dado as mais variadas posições teológicas, no entanto, ao escrever este ensaio procurei focalizar naquilo que compreendi ser de maior importância, deixando de lado questões teologicamente controversas optando por informar muito mais que discutir ou defender qualquer posição. Se você procura por algo mais abrangente e que trate de forma mais profunda a complexidade deste tema, há livros mais apropriados, no entanto, se deseja uma informação lúcida, clara, sintetizada e ao mesmo tempo de profunda relevância sobre o tema, este livro é para você.
