The Dryden Arms (House of Despair, a Comedy) Johnny Allina

Bored with his job as a copywriter at a major hotel chain and living in a noisy apartment in Hollywood teeming with would-be actors and unsavory characters, aspiring novelist Rupert is laid off and seizes the opportunity to move to a serene dwelling in order to live in the peace and quiet he needs to go on a Bukowski-like writing bender. Instead, he ends up at The Dryden Arms in Glendale, California, where he takes the job as Resident Manager and encounters, in an absurdist reality, tenants who make him think he has become the warden of an asylum. We trail behind him, laughing all the way, as he deals with tenant-on-tenant attempted murder, race relations, a ghost, an uneasy romance with a bitchy lit agent, a smug cat, Eastern philosophies, invisible roommates, a porn star, a foul-mouthed solipsist with undiagnosed allergies, and a lawn-obsessed polymath. Then there's the elderly Don, whom Rupert alternately fantasizes about offing to get his fabulous apartment or rescuing from the impending oblivion of old age. Follow the imaginative POV of Rupert as he navigates The Dryden Arms, bringing out both his suspicious and compassionate nature in a riotous non-stop ride.

From reader reviews:

Victor Brown:

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? Everybody has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this kind of The Dryden Arms (House of Despair, a Comedy) to read.

David Earnest:

This book untitled The Dryden Arms (House of Despair, a Comedy) to be one of several books that will best seller in this year, that is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy this particular book in the book store or you can order it via online. The publisher of this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Touch screen phone. So there is no reason for your requirements to past this book from your list.

John Stewart:

Reading a e-book tends to be new life style with this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some analysis before they write for their book. One of them is this The Dryden Arms (House of Despair, a Comedy).

Regina Hash:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Dryden Arms (House of Despair, a Comedy) can make you truly feel more interested to read.
