The kids in *What I Like About Me*, are as different as night and day. And, guess what? They love it. Some adore the fact that their braces dazzle and gleam, others feel distinguished when they wear their glasses. This fun-loving book, with a mirror included on the last page, proves to kids that, in a world where fitting in is the norm, being different is what makes us special.

Helping children learn about diversity, while fostering self-esteem, is what this super-sized *Teacher Classroom Pack* is all about. Teachers can read the rhyming text of the award-winning *What I Like About Me!* and use the oversized book to focus on differences in nationality, appearance, food, and more. Inviting children to look in the giant mirror will encourage them to think and talk about what they like best about themselves. The pack comes with 20 student editions of *What I Like About Me!* and 20 copies of a reproducible activity sheet. Teachers can reproduce this sheet class after class, year after year. Truly, this is one learning tool that's destined to score 100 percent with teachers and students alike.
