Banjo & Kazooie Totally Unauthorized Strategy Guide (Official Strategy Guides) BradyGames

- Step-by-step walkthrough leads you through all nine levels of the game.
- Winning strategy for both Gruntilda battles.
- Plus, complete character, move, and power-up profiles.
- A swarm of evil is heading this way, and there may be nothing that can stop it - or should we say, stop her. Yes, a beautiful land filled with fluffy bunnies and talking bears may soon be tormented by the evil grasp of the witch known as Gruntilda
- Wherever she strikes, all that is pure and beautiful is sickened and blackened. For years, Gruntilda has slaved on a machine that would transform her hideous face into something gorgeous
- But for it to work properly, she must find someone with great beauty, like Banjo's little sister Tooty. So begins the plot...and so begins the game
