Bully Down (To Help Parents to Realize How to Aid their Bullied Kids & Help Bullied Teens to Survive and to Beat the Odds) Moshe Kai Cavalin

After Moshe Kai wrote 'We Can Do' at the age of twelve with the intention to help kids accomplish more and reach beyond their imagination, he received more than 6-thousand e-mails from his readers, and to his surprise the majority were about bullying and asking for help against bullies and some of those e-mails were very dramatic dealing with suicide or even worst. They had nobody to turn for help. Moshe Kai wrote this book to be the voice of the bullied kids and to help parents to make their progeny realize that they can have a bright and happy future after the storm passes and above all, to alert parents that they need to be a major part in this process.
