Isn't it great to get help and support at the times when you desperately need it? What if you think you don't know anyone at all who might help? Even in those dark moments and hours when it seems that everything is completely hopeless, you can be rescued. There is evidence of miracles all around us if we are paying attention. Living in Aspen, Colorado, I went through a very painful divorce, leading me to experience one of my biggest miracles within only one month after the divorce. From that point on, I started considering miracles as a viable option, sometimes my one and only option, and it worked! After that, it was demonstrated to me time and time again, so much that I decided to write a book about it, and it's not reserved for just a 'chosen' few.
