Do You Know Me? Tony Roberts

This book is an anecdotal memoir spanning Tony Roberts' fifty-five years as a professional actor. During that time, Roberts has appeared in twenty-three Broadway shows, twenty-five films, three television series, and recorded over fifty audio books and numerous voice-over commercials. Roberts explores the sources of his ambition and describes the ups and downs of a career in show business. While not a "how-to" book, it provides the inspirational guidance taught by one of America's greatest acting teachers: Alvina Krause. Oh, there's also a lot of stuff about Woody Allen and other people you've probably heard of.
