Do you have an itchy dog? Are you sick of taking your dog to the vet for medications that only give temporary relief? Have you thought about the long-term health effects that drugs may have on your beloved pooch? Well, this book will show you step-by-step how to help your itchy dog... the way nature intended. No chemicals... No drugs... and without spending a fortune. You will find information on the common conditions that cause itching - from allergies and mange to yeast infections... and everything in-between. Learn about safe and natural alternatives to drugs, natural flea control and the benefits of using herbs, homeopathic remedies, flower essences and nutritional supplements in conjunction with a healthy diet, to help your dog overcome the dreaded 'itch'. During the last 20 years as an animal naturopath, I have seen and helped so many dogs with skin problems simply by using the natural methods outlined in this book. I hope that by reading my book that you can help your dog too. Julie Massoni
