Killing Johnny Fry: A Sexistential Novel Walter Mosley

"A frankly pornographic novel, and I mean that as a compliment." *New York Times Book Review*

When Cordell Carmel catches his longtime girlfriend with another man, the act that he witnesses seems to dissolve all the boundaries he knows. He wants revenge, but also something more. *Killing Johnny Fry* is the story of Cordell's dark, funny, soulful, and outrageously explicit sexual odyssey in search of a new way of life. It marks new territory for the bestselling author of *Devil in a Blue Dress* and countless other books; it will surprise, provoke, inspire, and make you blush. Above all, it is about a man questioning the rules we take for granted and the powerful and sometimes disturbing connections that occur between people when these rules are removed.
