## **Tarot Revelations (The Golden Dawn Tarot Series Book 2) Paul Case**

It is with great excitement that we introduce the second volume of the 'Golden Dawn Tarot Series', a collection of distinguished books on Tarot written by leaders of the Golden Dawn Tradition. The second book of this series, 'Tarot Revelations', contains Paul Foster Case's most advanced teachings on the Tarot. In this text, the student is shown how to form occult relationships between the various letters of the esoteric alphabet revealed in Book T. This book, and its companion, 'Wisdom of Tarot', were originally distributed as 'Tarot Instruction, Section First' and 'Tarot Instruction, Section Second'. These texts followed Sections A, B, C, and D and came before the 'Hermetic Alchemy: Science and Practice' course in the original 'School of Ageless Wisdom' course curriculum. Sections A, B, C, and D were recently published as 'The Early Writings, Volume 1 and 2' by the Fraternity of the Hidden Light; 'Hermetic Alchemy: Science and Practice' was recently published by the Rosicrucian Order of the Golden Dawn as the second volume in the 'The Golden Dawn Alchemy' series. With the publication of these texts, the entire course curriculum of Paul Foster Case, as distributed by the School of Ageless Wisdom, is now available to students of the Golden Dawn Tradition.
