Christel's Wisdom

We live in a world of many wars. Not only pitting brother against brother in a blood battle, we also are living amidst a war on drugs, a war on global warming, a war on Internet crimes, a war on inflating costs and a war within ourselves. But truth tells us that a bullet never trumps a principle, be it a nuclear warhead or pulling a Judas. Socrates said, "Know thyself. The only life worth living is a principled one." He was right then and his philosophy holds steadfast today. The only way to discover the authentic being Socrates referred to is to die to self. Until the soul stands naked and free, we can only see the world in shades of gray. When we rid ourselves of the garbage that has accumulated around our hearts, crushing our life force, glory shines in Technicolor.

Let Christel guide you on a 171-day journey of strengthening character, enhancing friendships, experiencing wisdom, facing reality and embracing the love of God.
