Sweet and naïve Becky Tanner gets a job working as a Social Media Intern for a famous rock band. She was totally unprepared, however, for the challenges she would face at the hands of the sultry and experienced drummer. Her world gets turned upside down when she receives an invitation to join them on tour, discovering first hand what life is like on the road, and in such close proximity to temptations she can't refuse. Waking up one morning, Marcus Reaves is nearly knocked off his feet by an adorable and clumsy young stranger who has appeared in his house uninvited. He is immediately curious about the quiet woman, as well as the obvious discomfort brought on by his attention. Unaccustomed to rejection, he makes it his goal to see just how far he can push her before she pushes back.
