Preaching and Teaching the Last Things: Old Testament Eschatology for the Life of the Church

Walter C. Jr. Kaiser

Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching, but it is even more neglected when it comes to setting forth the hope that Christians have for the future. Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life, he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers, teachers, and Bible students. Each chapter focuses on a single biblical text. Kaiser introduces the topic, examines the issues, notes who has contributed to some of the solutions, and shows how this sets up the text to be exegeted and prepared for exposition.
