**The Law of Nines** Terry Goodkind

**A publishing event— #1 *New York Times*–bestselling author Terry Goodkind turns in a new direction and delivers a stunningly original thriller.**

Turning twenty-seven may be terrifying for some, but for Alex, a struggling artist living in the midwestern United States, it is cataclysmic. Inheriting a huge expanse of land should have made him a rich and happy man; but something about this birthday, his name, and the beautiful woman whose life he just saved, has suddenly made him—and everyone he loves—into a target. A target for extreme and uncompromising violence . . . In *Alex*, Terry Goodkind brings to life a modern hero in a whole new kind of high-octane thriller.
