Geeky meets kinky in this first deliciously sexy novel in the Slices of Pi series by RITA-nominated author Elia Winters, which follows the romantic rendezvous of the employees at PI Games, a gaming company based out of sultry Florida.

As a design manager at PI Games, Isabel Suarez is no stranger to the struggles of being a woman in a male-dominated industry. But when her team attends a gaming convention on the other side of the country, she figures there's no harm in putting aside her professional demeanor for one weekend to participate in a risqué scavenger hunt. Why shouldn't she let loose and have a little fun?

A careless romp soon turns into more, however, when Isabel ends up having a fling with Caleb Portland, an artist and animator, without knowing he has just been hired to partner with her at her company—and Caleb can't bring himself to tell her. When they end up coworkers a few weeks later, they need to find a way to work together and keep things strictly professional. Caleb doesn't want to take on a relationship and risk failure. Isabel doesn't want to risk ruining the professional reputation she's worked so hard to develop. But when faced with the undeniable sizzling chemistry between them, will either of them be able to resist temptation?

A sexy and witty tale of romance and modern workplace politics, *Even Odds* is the latest winning entry in Elia Winters' unique and well-loved erotic novels
