The unforgivable social & economical differences in the beautiful World we live dared me to write this book. All the absurd lies we are told since the moment we are (re)born all religious, political, racial and gender differences we are deceitfully nurtured with, only have one function: The utter control of humanity through fear & treachery. With this book I bring a slice of truth and a breath of hope.

(*We) all are equals; (*We) all are, and everything is a single, everlasting entity.

*(We = 1 = ∞)
