## The Critical Path and Other Writings on Critical Theory, 1963-1975 (Collected Works of Northrop Frye)

This volume, which collects Northrop Frye's writings on the theory of literary criticism from the middle period of his career, includes one of Frye's own favourites, *The Critical Path* (1971). A highly important marker of Frye's career, *The Critical Path* openly addresses topics that he had previously been reluctant to discuss as fully, including the importance of literature to society, the responsibilities of critics, and the deeper rationales for studying literature.

Filled with insightful texts that indicate his transition from literary critic to a theorist of language, myth, and human culture, this edition helps to illuminate many of the ideas and arguments that would appear later in *The Great Code* and *Words with Power*. Accompanied by the rigorous scholarship for which the series is renowned, this is another valuable contribution to literary criticism and theory.

#### **Sheila Whitley:**

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Critical Path and Other Writings on Critical Theory, 1963-1975

(Collected Works of Northrop Frye) can make you sense more interested to read.
