These prophecies are like no others and will provide you with a very different view of the future and how things fit together in the plan for the universe. Now you can discover the amazing secrets that are hidden in the oldest spiritual writings on the planet. Find out what they say about the distant future, and what the seers of long ago saw in their visions of the destiny of the world. This book will reveal predictions of deteriorating social changes and how to avoid them; future droughts and famines; low-class rulers and evil governments; whether there will be another appearance (second coming) of God; and predictions of a new spiritual awareness and how it will spread around the world. You will also learn the answers to such questions as: Does the future get worse or better? Will there be future world wars or global disasters? If so, when and how? Now you can find out what the future holds. The Vedic Prophecies carry an important message and warning for all humanity, which needs to be understood now!
