## **A Reason For Marriage (Harlequin Presents, No 1041) Penny Jordan**

Penny Jordan needs no introduction as arguably the most recognisable name writing for Mills & Boon. We have celebrated her wonderful writing with a special collection, many of which for the first time in eBook format and all available right now. It's been six years since Jamie walked in on her lover, Jake Brierton, in bed with another woman - and walked right back out that door and out of his life. But even though Jamie has spent years working on her successful decorating business, she's never been able to fully exorcise Jake from her mind. He is, after all, her stepbrother...When her stepdad becomes ill, Jamie is reunited with Jake on their way home for Christmas. She is shocked when Jake proposes marriage - a marriage designed to make their family happy. But when the ceremony is over, and their honeymoon in a cosy Swiss chalet begins, Jamie wonders what kind of marriage she's destined to have with the man who once broke her heart...and could easily do it again!
