Cumulative vocabulary lists for the 40 chapters of Wheelock's Latin. The list for each chapter contains all the words for that chapter as well as for all chapters preceding; e.g., the chapter 10 list includes all the words introduced in chapters 1-10, usefully sorted by part of speech; nouns and adjectives are further sorted by declension, and verbs by conjugation; all English meanings are included, as are macrons and accents. Wheelock's Latin is America's best-selling introductory college-level Latin text, with sales for the Series package (basal text, Workbook, and Reader) totalling over 50,000 copies per year; production of the proposed Cumulative Vocabulary Lists is timed to coincide with release of the new 6th Edition, Revised, of the text, which, with its new hardback edition, online audio for vocabulary, and online teacher's guide, will likely experience further growth in sales, including an expanded secondary-school market.
