Becky is on a reality show in Arizona, but instead of having the single men compete with each other for her affections, she has to compete with another woman for theirs. While on a disastrous double date for the show, Becky meets a wonder man, too bad she's not allowed to talk to him.

Dean finds the one woman he knows is meant to be his, but there's a problem, she's a contestant on a reality show. Working with his brother, who just happens to be a cameraman on the show, they put together a scheme to get Dean access to the set. Now all he has to do is convince Becky to choose him.

Their relationship blossoms, but when trouble arises, Becky has to decide if she can trust Dean enough to help her, or if she's better off alone. Dean would do anything for the woman he loves, but first he has to find her.
