Where to begin a tale filled with closely guarded secrets of demons, gods and men that has for the Ages been hidden from all searching eyes...so troubling and damning that the very faith of mortals will be shaken to its core... Greatest of Ancients, the wisest of sages, beckons with a teasing riddle... "To reach the beginning, you must start in the middle. And to attain the finish, you must comprehend all things. Time goes ever forward, but knowledge learns always from the past." ...the middle - a time when the existence of all life hinges upon one thread, one decision, one choice...as men of clay selfishly pursue wealth, glory, and pleasures while others far beyond the stars fight to return to an unending life of bliss and self-indulgence. Here begins our Quest...a long and twisting road to Destiny drawing us into a distant and sordid past, then flinging us wildly toward an uncertain future, opening a door to a mystical world... Dare you take this dangerous journey of discovery to uncover the truth of all matters and meet the people who have given everything for us to gain what the future holds...?
