**The Count's Last Mistress** Bess Greenfield

**"Sublimely satisfying... I couldn't put it down. The Count's Last Mistress is a true standout in a sea of Regency and Victorian romances." - Jenny Q, Let Them Read Books**

**An unforgettable, sexy tale of good intentions gone awry, deception, and unexpected passion between an aristocratic French cavalry officer and a free-spirited American painter in Paris...**

When her social conscience and avant-garde art trigger rumors of mental instability, New York heiress Jeanne Delancy flees to Paris to begin her life anew as an independent painter. But the political turmoil of 1871 leaves her with an abandoned child to protect and a tragic mystery to solve. Struggling and desperate, Jeanne is stunned to receive an absurdly lucrative commission from a handsome, aristocratic cavalry officer. The former wallflower has every reason to mistrust the arrogant, yet charming comte de Chaumenay, but she finds the offer difficult to refuse and her new patron even harder to resist.

Consumed with remorse over his past, war hero Olivier Valencourt is certain the beguiling American beauty he discovers in a Montmartre hovel holds the key to his redemption. To convince her to reveal a truth only she can tell, he plots to win her confidence through patronage, patience, and his never-before-tested powers of persuasion. But it doesn't take long for the bohemian's unconventional wisdom and innocent sensuality to obliterate his self-control and divert his agenda entirely. While the strong-willed opposites struggle to reconcile their deepest longings, dangerous alliances and scandalous secrets threaten a tragic repetition of history.
